# SLIGHT

Christophe Bourban & Luciano Dell'Orefice

Sottile come una foglia, la collezione di sedute Slight prende il classico imbottito in contropiede. Come una pagina appena piegata, la scocca soffice vi abbraccia in modi diversi e si declina a seconda delle esigenze d'uso. Pensato sia per gli spazi d'attesa sia per gli ambienti domestici.

Thin as a leaf, Slight sofa collection takes the opposing view to the classic padded sofa. Like a little folded page, the soft body embraces you in different ways and comes out in several forms according to use requirements, suitable for waiting areas as well as domestic interiors.
