2022

Pergy Collection was enriched also by Pergy chair, a comfortable armchair characterized by a curved shell and an embracing contoured seat. Thanks to its elegant and sophisticated silhouette, it is perfect for any domestic or contract environment: in a dining room, around a meeting table, in a lounge area, or in a suite.

La Collezione Pergy si arricchisce anche della Pergy chair, una comoda seduta caratterizzata da una scocca curva e da un'avvolgente seduta sagomata. Grazie alla sua silhouette elegante e sofisticata, è perfetta per ogni ambiente domestico o contract: in una sala da pranzo, attorno a un tavolo riunioni, in una zona lounge, o all'interno di una suite.

— *Pergy* collection

Strong volumes, rigorous design and graphic marks are the three features of the iconic Pergy collection. The family includes some coordinated furnishings: an embracing single-seater armchair, the ancestor of the line, a two and three-seater sofa, a vis-à-vis sofa and its dormeuse version, a chair and a pouf. Furnishings that complete in an elegant and sophisticated way a living room, a lounge area, or a luxurious suite.

Volumi decisi, design rigoroso e tagli grafici sono le tre caratteristiche dell'iconica collezione Pergy. La famiglia si compone di alcuni arredi coordinati: un'avvolgente poltrona monoposto, capostipite della linea, un divano a due e tre posti, un divano vis-à-vis e versione dormeuse, una sedia e un pouf. Degli arredi che riempiono in modo elegante e sofisticato un living, una zona lounge, o una lussuosa suite.

The logo for STIMEX, featuring the word "STIMEX" in a bold, sans-serif font, positioned to the left of a stylized red swoosh that curves upwards and to the right.
